

The top half of the poster features a background image of a string of colorful triangular bunting flags (blue, yellow, purple, red) and a string of white outdoor lights hanging against a backdrop of out-of-focus green foliage. On the left, a white banner with a pointed bottom contains the event's logo. The logo consists of the word 'fête' in a large, dark purple script font, followed by 'de la' in a small green sans-serif font, then 'nAture' in a large, green script font, and finally 'vier de natuur' in a small green sans-serif font at the bottom.
